on 7-26-17 at 2202 I heard Dispatch give a call to EMS in reference to a subject not breathing. I then went into the jail and was advised that the inmate was in segregation and that he was already deceased. I then went to my patrol vehicle and got a roll of crime scene tape and taped off the cell. I was then placed on guard to watch the cell. while guarding the cell Sgt. Wilkerson took photos of the scene.
